Subject: Canadian Radium and Uranium Site

Attachments: 170515_CRU_Final_Phase iii_Removal Assessment Trip Report.pdf; Canadian Radium Sampling Trip Report April

2016.pdf

Mr. Cannistra,

Following up on our phone call from this morning, please see the following information on the history of the Canadian Radium and Uranium Site. I have included two Sampling Trip Reports with data indicating the contamination at the former Site. Each report contains a history of the Site, recent sampling data, and figures.

Please let me know if you have questions, I can be reached at the numbers below or via email.

Thank You, Dan
